Re: Asbestos floor tile removal policy & procedure

Dear Ms. Gray,

Further to your last fax, we have reviewed and formally amended our policies and procedures in light of your recommendations.

Thank you for your involvement in this process, as we are receptive and understanding of your departments initiatives to help insure that we provide our workers with a healthy and safe work environment.

I trust that these improvements in our documentation will satisfy all of your requirements pursuant to the stop work order issued in this matter.

Respectfully yours,
